

FREQUENTLY ASKED QUESTIONS

ACTIVE NATION

Do I have to wear anything special to use the centre?

Yes, you will need to wear trousers, a long sleeved top, gloves and waterproofs. Helmets are required for all children under six years, donutting groups, race training groups and freeride activities - helmets are available free of charge.

Do I already have to be able to ski/ snowboard to use the slopes?

If you are booking tuition, no previous experience is needed. If you want to use the slopes on a casual basis, then you need to meet our for practice standard: Linked turns for skiers and controlled toe and heel edge side slip for boarders. All users must be able to control their descent, stop and use the ski lifts.

Can I teach my friends as I already meet your minimum standard?

I'm afraid not. Teaching can only be carried out by Alpine Snowsports qualified staff.

What is the youngest age you teach?

The minimum age we accept children for lessons and donut sessions is 4 years old. (See Skids & Junior Private lessons.)

Do activities go ahead when it's raining?

Yes, all our activities go ahead in most weather conditions. If the centre deems it too dangerous someone will contact you before your session starts.

Can I make a temporary booking?

I'm afraid not. Full payment needs to be made at the time of booking except for schools and some youth organisations.

Am I covered by insurance when using your slopes?

The centre has public liability insurance. If you think more cover is necessary, it is up to you to arrange individual cover.

Are there any clubs at the centre?

Yes, we have a Junior Snowsports Club that runs every Tuesday from 6.00pm-7.30pm and an Adult Snowsports and Freeride Club which runs on Tuesdays from 7.30pm-10.00pm. Please ask at reception for details.
