## Welcome to our crèche!

We are here to provide your child with a safe and happy play environment whilst you are on the premises participating in an activity or simply enjoying some time out in our café. Parents/carers also find us very useful during the day when they have other children participating in other activities such as football, ballet, tennis and swimming lessons.

Our crèche opening hours are 9am-4pm Monday to Friday and Saturday Morning 9.30am-12.30pm so why not take the opportunity to visit the gym, book tennis or badminton courts with a friend, have a swim or participate in the popular morning classes.

Your child can stay with us for a minimum time of 30 minutes or a maximum time of 2 hours per day, the bookings are made on the every half hour. All bookings and payments are made at reception; you can do this over the phone. The cost is £1.65 for every half an hour you book.

You are welcome to bring bottles, snacks and drinks for your child but please ensure that all food items are labelled with your child's name, date, contents, time to be given and any other information we might need. There are registration forms in crèche or on our website this will need to be completed prior to your first visit. Please bring this with you.

You may arrive 10 minutes early on your first visit to settle your child in. We understand that every child has his/her own needs and we are happy to help in any way we can if your child needs a little more time with you in the crèche to settle in.

Don't forget to pack a changing bag with nappies, wipes and a change of clothes just in case! Please label the changing bag with your child's name so we know which bag belongs to your child. We do have a small buggy park in the crèche entrance but ask parents to only bring their buggies if they are required by their child. We do have two buggies of our own incase children need a sleep whilst they are here.

We also have a 'drop and shop' session in crèche where you can leave your child on site for 2 hours and you can tackle those errands that may be impossible to do when you have your children with you, for example getting your hair cut, the weekly shop, or cleaning the house etc. This is a different price to the normal crèche rate at £8 for the 2 hour session. Bookings are made at reception or over the phone; remember to ask for a drop and shop session. There will be a permission form you will need to sign for your first drop and shop booking. These are available in crèche or on the website. Please bring this with you.

If you have any quires please feel free to pop in and see us or telephone 01235 540700!
